Meet Author **Stephen T. Botek**

"This is a delightful love story between a boy from Pennsylvania and America's original art form, jazz—each paragraph is etched using a pen with a backbeat. Very enjoyable."
—Phil Woods

As a performer of that era, I whizzed through life relying on instinct as well as study. Steve's take on things included another component — detailed analysis of the often complicated people in the sometimes complicated world of music. I invite you to read this book and hear the music. — Buddy DeFranco

Song On My Lips, Jazz Greats Were My Mentors

Meet author Stephen Botek, who recalls his exploits as a young clarinetist mentored by Buddy DeFranco and other jazz legends of the Big Band Era. Music lessons in New York opened the door backstage as Stephen had the unique opportunity to meet and chat with legendary musicians like Artie Shaw, Benny Goodman, Dizzy Gillespie and Maynard Ferguson during the Big Band Era. *Song On My Lips* includes profiles of the musical legends he encountered profiled in educational sidebars + rare photos.
